WATER ABSORPTION	VEBE FR RIB Carpet is impervious to water by design, offering a superior way of dealing with incoming dirt and water. The rigid polypropylene ribs scrape footwear and collect water and dirt in the troughs, Keeping them away from shoe contact. Water evaporates, and as the non-absorbant fibres are stain resistant, they are easier to clean and stay looking clean for longer.
CLEANING	It is recommended that cleaning by vacuum be a daily routine. VEBE FR RIB CARPET can at intervals also be steam cleaned, or pressure cleaned.
COLOURS	We currently have a range of 5 colours of the VEBE FR Rib Carpet. Coir-look sisal, anthracite, red, steel and tobacco. Other colours are available but without the FR backing, and so limited to less than 5 sq. m.
GUARANTEE	ALUMAT has a limited 5 year warranty on FR RIB Carpet subject to correct installation and maintenance with due allowance for fair wear and tear.
PRICE INDICATION	As at January 2015, ALUMAT Vebe FR Rib Carpet is priced at RRP \$99 per sq.m
